Funeral Pack

Organising a reception after a funeral can be stressful at such a sad time. We offer a personal contact for you from our events department to help ease the pressure whilst organising the reception.

We understand that timings and numbers for funeral receptions are sometimes a little difficult to manage, especially if most of your guests are coming to the hotel before the close family. In this instance, we would welcome them to the Hotel on their arrival; guide them to a discrete and private suite that will have been chosen prior to the day; ensuring the guests are provided with either hot drinks and/or wine whilst they wait for the family to arrive from the crematorium or cemetery.

We offer a choice of menus and refreshments for you to choose from and are happy to accommodate from 10 guests up to 200 guests. The ranges of menus available include:

- Finger Buffet
- Hot Fork Buffet
- Afternoon Tea

We will work with you to plan your reception and ensure everything runs smoothly. Our Banqueting Manager and team of staff will serve refreshments and be discretely on hand for any other requirements you may have on the day.

Please contact us in the Events department to discuss your arrangements.

Best Wishes
